It's a Stylin' Thing - Hers

A Torc by Any Other Name

Two Mics, One Speaker

There's an App for That ...

... But You Gotta Be Quick

And a Widget!

And a “Remote” Control ...

... With NFC!

Why It's Great

- Hearing loss compensation
 - “World Volume” boost
 - Treble boost
- Active noise cancellation
 - World Mute
- Speech “Focus” actually works
 - For close voices against background
- Bluetooth earphone / mic
 - *Terrible* range - from cargo pants pocket
